A.D. 2047

Neo Kobe City, Japan, a place of madness and decadence...

A mysterious Bio-roid life form has appeared. Its true nature and purpose are unknown. Is it some country's secret weapon, or an alien from another world?

They slay their victims and take their place, earning them the nickname "SNATCHERS".

A new police division-J.U.N.K.E.R.S-has been formed. They are trained specifically to combat the SNATCHERS.

The fate of mankind hangs in the balance. The war between the SNATCHERS and J.U.N.K.E.R.s has begun!

Enter the cyberpunk world of SNATCHERS as Gillian Seed-a new J.U.N.K.E.R. recruit. Use your military Special Forces training, the latest high-tech weapons, and your android sidekick, Metal Gear, to hunt down and destroy the Snatchers. This role-playing game brings you a thrilling mystery with beautiful women, cold landscape and deadly adversaries. Think carefully, and watch your back!
