"Medallions" are mystic stones sent from heaven, bringing evolution to human technology and lead tremendous progress to the armadas. To gain their powers for the promised victory in which the "Stones" hold, many nations fought over the mystic stones and rebated the world of war. Within all the "Stones" is the "Medallion of Wisdom," known as the power source of all mystic stones. had enough energy to terminate humanity. The whole world was in despair. And now,

four brave warriors risen to fly straight into the combat zone!

Fight to save the humanity!

We've captured the true essence of the shooting genre...
Shoot and Evade!
